Career Profile

I am currently studying computer science in the Ionian University and I am in my third year of my studies. I like many fields of computer science but the ones

I love the most are computer networks, ethical hacking and coding. I aspire to work in the field and be a valuable member of my group. I am a hard worker and stubborn when it comes to finishing a project or finding the solution.

Education

Currently enrolled in a bachelor in Computer Science

2019 ~ Present

Ionian University

Experience

I don't have any experience on the field yet but I am trying really hard to gain the proper requirements so I can be considered as an applicable candidate for a job that suits my interests well.

Certifications

Azure Fundamentals Certification

Skills & Proficiency

Python
